SPACE

Veito karbon infrared ısıtıcı maksimum konforu ve enerji tasarrufunu bir arada sunar. Düşük parlama ile orta dalga infrared ısı üreterek üstün enerji verimliliği sağlar. Yenilikçi yansıtıcı tasarımı sayesinde sıcaklık hızla ve homojen bir şekilde geniş alanlara yayılır, her köşede kesintisiz konfor sunar. Işığın ideal dalga boyu ısıнын uzun mesafeler kat etmesine imkan tanır, böylece ortamı anında ısıtarak tam anlamıyla rahatlatıcı bir ısı üretir.
